

Neil Young – Harvest Moon

(A)		(B)
Come a little bit closer		
Hear what I have to say		
Just like children sleepin'		
We could dream this night away		
But there's a full moon risin'		Oooh...
Let's go dancin' in the light		Oooh-oooh...
We know where the music's playin'		Oooh...
Let's go out and feel the night		Oooh-oooh...

Because I'm still in love with you. I want to **see you dance again**
Because I'm still in love with you... **on this harvest moon**

(B)		(A)
When we were strangers		
I watched you from afar		
When we were lovers		
I loved you with all my heart		
But now it's gettin' late		Oooh...
And the moon is climbin' high		Oooh-oooh...
I want to celebrate		Oooh...
See it shinin' in your eye		Oooh-oooh...

Because I'm still in love with you. I want to **see you dance again**
Because I'm still in love with you... **on this harvest moon**

Oooh... Oooh-oooh... x4

Because I'm still in love with you. I want to **see you dance again**
Because I'm still in love with you... **on this harvest moon**

David Bowie - Space Oddity

Ground Control to Major Tom. Ground Control to Major Tom
Take your protein pills and put your helmet on. Ground Control to Major Tom
Commencing countdown, engines on. Check ignition and may God's love be with you

This is Ground Control to Major Tom. You've really made the grade.
And the papers want to know whose shirts u wear. Now it's time to leave the capsule if u dare
This is Major Tom to Ground Control. I'm stepping through the door
And I'm floating in a most peculiar way. And the stars look very different today
For here... am I sitting in a tin can far above the world
Planet Earth is blue and there's nothing I can do

Though I'm past one hundred thousand miles, I'm feeling very still
And I think my spaceship knows which way to go. Tell my wife I love her very much she knows

Ground Control to Major Tom, your circuit's dead, there's something wrong
Can you hear me, Major Tom? Can you hear me, Major Tom? Can you hear me, Major Tom?
Can you "Here am I floating 'round my tin can far above the moon
Planet Earth is blue and there's nothing I can do"

Van Morrison - Moondance

Well, it's a marvelous night for a moondance, with the stars up above in your eyes
A fantabulous night to make romance, neath the cover of October skies
And all the leaves on the trees are falling to the sound of the breezes that blow
And I'm trying to please to the calling of your heart-strings that play soft and low
And all the night's magic seems to whisper and hush
And all the soft moonlight seems to shine in your blush
Can I just have 1 more moondance with you, my love
Can I just make some more romance with you, my love

Well, I want to make love to you tonight. I can't wait 'til the morning has come
And I know now the time is just right, and straight into my arms you will run
When you come my heart will be waiting, to make sure that you're never alone
There and then all my dreams will come true, dear. There and then I will make you my own
And every time I touch you, you just tremble inside
And I know how much you want me that you can't hide
Can I just have one more moondance with you, my love
Can I just make some more romance with you, my love

Repeat 1st verse...

Can I just have one more moondance with you, my love
Can I just make some more romance with you, my love
One more moondance, on a magic night
Can I just have one more moondance with you, my love!

Creedence Clearwater Revival - Bad Moon Rising

I see the bad moon arising. I see trouble on the way.
I see earthquakes and lightnin'. I see those bad times today
Don't go around tonight. Well it's bound to take your life. There's a bad moon on the rise.

I hear hurricanes a blowing. I know the end is coming soon
I fear rivers over flowing. I hear the voice of rage and ruin
Don't go around tonight. Well it's bound to take your life. There's a bad moon on the rise

Hope you got your things together. Hope you are quite prepared to die
Looks like we're in for nasty weather. One eye is taken for an eye
Well, don't go around tonight. Well, it's bound to take your life. There's a bad moon on the rise
Don't come around tonight. Well it's bound to take your life. There's a bad moon on the rise

Echo & The Bunnymen - The Killing Moon

Under a blue moon I saw you. So soon you'll take me. Up in your arms,
Too late to beg you or cancel it though I know it must be the killing time. Unwillingly mine
Fate.. up against your will. Through the thick and thin. He will wait until you give yourself to him

In starlit nights I saw you. So cruelly you kissed me. Your lips a magic world.
Your sky all hung with jewels. The killing moon will come too soon
Fate.. up against your will. Through the thick and thin. He will wait until you give yourself to him

Under a blue moon I saw you. So soon you'll take me. Up in your arms,
Too late to beg you or cancel it though I know it must be the killing time. Unwillingly mine
Fate.. up against your will. Through the thick and thin. He will wait until you give yourself to him

Bonnie Tyler - Total Eclipse Of The Heart

(Turn around)
Every now and then I get a little bit lonely and you're never coming 'round
(Turn around)
Every now and then I get a little bit tired of listening to the sound of my tears
(Turn around)
Every now and then I get a little bit nervous that the best of all the years have gone by
(Turn around)

Every now and then I get a little bit terrified and then I see the look in your eyes
(Turn around, bright eyes) Every now and then I fall apart
(Turn around, bright eyes) Every now and then I fall apart

And I need you now tonight. And I need you more than ever
And if you only hold me tight, we'll be holding on forever
And we'll only be making it right, cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks. I really need you tonight
Forever's gonna start tonight. Forever's gonna start tonight

Once upon a time I was falling in love, but now I'm only falling apart
Nothing I can do. A total eclipse of the heart
Once upon a time there was light in my life, but now there's only love in the dark
Nothing I can say. A total eclipse of the heart

+Break+

(Turn around, bright eyes) Every now and then I fall apart
(Turn around, bright eyes) Every now and then I fall apart

And I need you now tonight. And I need you more than ever
And if you only hold me tight, we'll be holding on forever
And we'll only be making it right, cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks. I really need you tonight
Forever's gonna start tonight. Forever's gonna start tonight

Once upon a time I was falling in love, but now I'm only falling apart
Nothing I can do. A total eclipse of the heart
Once upon a time there was light in my life, but now there's only love in the dark
Nothing I can say. A total eclipse of the heart
A total eclipse of the heart
