SUNDAY SOCIAL
@TheBentway BEER GARDEN
Music, Games, Food and Beverages at the City's Coolest Covered Patio
Every Sunday July 8 – August 12, 2018

The Bentway continues its mission of transforming Toronto's urban landscape through culture and community, and socializing with friends! From Noon to 9pm on Sundays this summer, Toronto's best new selfie-spot is the **Sunday Social @TheBentway Beer Garden**. For locals and visitors to The 6ix, The Bentway presents one-of-a-kind free experiences at Toronto's newest public space, located under the Gardiner Expressway.

Every Sunday, The Bentway will be home to Toronto's coolest covered patio, serving up beer from Collective Arts Brewing and cider from Strongbow, along with tasty treats from SPiN, Toronto's Ping Pong social club, plus outdoor games like ping pong and bocci, and a curated music program.

On July 8, **The Bentway** teams up with **Tune Your Ride** to present a bicycle-powered concert of dynamic Toronto-based artists including a brand-new pop-rock quartet **For Jane**, critically acclaimed singer/songwriter **Charlotte Cornfield**, and cutting-edge hip-hop/electronic artist **Just John**. This innovative and sustainable performance takes audience participation to the next level!

Turn down the volume on July 15 with **MuseMovement's** silent yoga and meditation sessions, and enjoy the best of a Sunday afternoon in silence. Then dance like no one is watching, or listening, at the silent disco party with music by DJs Lucie Tic and Cozmic Cat, DJ Caff, and DJ Craig Dominic. Bring-Your-Own-Mat but noise-cancelling headphones will be supplied.

On July 22, turn up your summer playlist. Listen to tunes by girl-power pop collective **For Esmé**, and experimental rock/jazz band **Luge**.

On July 29, the **Toronto Summer Music Festival** presents a full day of programming including an artillery demonstration from Fort York and a musical petting zoo courtesy of the Parkdale Public Library, with the highlight an open-air performance of Tchaikovsky's 1812 Overture by the **Canadian National Brass Project**.

Inspired by Caribana, Sunday Social at The Bentway Beer Garden celebrates Trinidad and Tobago with a summery fête on August 5 featuring live music from superstar calypso band **Moses Revolution**, international musical artiste **Joel 'Connector' Davis**, and North York-based community group **New Dimension Steel Orchestra**.

The uptown **Aga Khan Museum** journeys downtown to The Bentway for the final Sunday Social on August 12. A specially curated concert features the international sounds of Manila-based musician and producer **KyVITa** who channels the energy of the environment around him to create, and the healing sounds of Canadian AfroSoul trio **Amai Kuda et les Bois**.

About The Bentway

[The Bentway](#) is a unique and innovative public space that transforms 1.75km underneath Toronto's Gardiner Expressway into a new gathering place for our city's growing population.

The Bentway knits together seven local neighbourhoods with over 70,000 residents, becoming a gateway to the waterfront, while providing access to important attractions and destinations – from Fort York National Historic Site, Ontario Place and Exhibition Place to Harbourfront Centre and the CN Tower. The Bentway offers year-round activities and events, including gardens, a skate trail, recreational amenities, public markets, public art, special exhibitions, festivals, theatre and musical performances, and more. The initial phase of The Bentway is open to the public. Stretching from Strachan Avenue in the west to just east of Bathurst Street underneath the Gardiner Expressway, this section of The Bentway is located on the lands of Fort York National Historic Site, recognized by the Government of Canada as a site of national significance.

The Bentway is maintained, operated, and programmed by The Bentway Conservancy. The project was made possible through the collaboration of a range of city-builders and experts, including the [City of Toronto](#), [Waterfront Toronto](#), Judy and Wilmot Matthews, [Ken Greenberg Consultants](#), [PUBLIC WORK](#), [Fort York National Historic Site](#), and [Artscape](#). The Bentway is a proud member of the [High Line Network](#), an international network of projects that transform underutilized infrastructure into new urban landscapes.

About Fort York National Historic Site
